

National Conference on Fluid & Electrical Machines in Shipping Industry (NCFEM)

Review of latest Technology

Open to only under graduate students, Lab technicians and workshop assistants. High quality review papers would be conferred prizes as under;

First prize	Rs 3000/- Only
Second Prize	Rs 2000/- Only
Third Prize	Rs 1000/- Only

Research Paper

Open to Academicians, Engineers, Postgraduate, Ph.D. and postdoctoral Students, Manufacturers of Fluid and Electrical Machines, technical personnel of shipping companies and also those of Directorate General of Shipping, State and Central Governments in India. High quality research papers would be conferred prizes as under;

First prize	Rs 5000/- Only
Second Prize	Rs 4000/- Only
Third Prize	Rs 2000/- Only

ORGANISING COMMITTEE (NCFEM)

Dr. P. Kumar, Ph.D.	Chairman
Shri. R. B. Rai	Member
Shri. R. S. Gurav	Member
Shri. P. M. Dahi	Member
Shri. P. M. Choudhari	Member
Shri. S. P. Jolhe	Member
Shri. D. P. More	Member

PATRONS

Prof. Mangesh Karad Executive Managing Director	Shri. Rahul More Coordinator MAEERS
Prof. P. P. Kanegaonkar Principal	Prof. S. Devgaonkar Vice Principal

VENUE

MAEER'S Maharashtra Academy of Naval Education and Training (MANET)
Gat.No.140, Loni Kalbhori, Rajbaug, Pune-Solapur Highway, Pune-412201, India
Tel.: +91 20 2691 2901, 02, 03, 04 Fax: +91 20 2691 5222

DATE

24th - 25th Nov. 2006

Format of Submitting Paper in National Conference (NCFEM)

All the typing should be in times New Roman. Paragraphs will not be numbered. All the side headings from Abstract to Acknowledgements would be underlined. All the subheading under the main side headings would be left justified, underlined and of font size 12. Other details are as under:

- **Main heading on top** 16 font Centre Justified Bold
- **Name of author and address** 12 font Centre Justified Bold
- **Email address** 10 font Centre Justified
- **Abstract** 14 font for side heading 12 for the matter
- **Introduction** 14 font for side heading 12 for the matter
- **Analyses or any other headings** 14 font for side heading 12 for the matter
- **Discussion** 14 font for side heading 12 for the matter
- **Conclusion** 14 font for side heading 12 for the matter
- **References** 14 font for side heading 12 for the matter

All research Papers would be alphabetically arranged in order by author's name.

Any single reference should be in following sequence;

Arya S P 1995 Modelling and Parametarization of Near-Source diffusion in weak winds; J. Appl. Met 34 1112-1122.

Batchelor G K 1949 Diffusion in a field of homogeneous turbulence, I. Eulerian analysis; Aust J. Sci. Res. 2 437-450.

Csanady G T 1973 Turbulent Diffusion in the Environment; (D. Reidel Publishing) p. 248.

Kumar P and Bhandari S 2001 Modelling of Near Source Dust Dispersal after the opencast mine Blasting on flat surface in weak wind in Tropical Countries; Proceedings of EXPLO-2001, Hunter Valley, NSW, Australia, 28th-31st October 2001, p. 289-293.

Taylor G I 1921 Diffusion by continuous movements; Proc. London Math. Soc. 2 196-212.

Names of books should be underlined, as below:

Anna Mani 1995 Wind Energy (Resource Survey in India); (Allied Publishers Ltd., New Delhi).

Berlyand M E 1975 Contemporary Problems of Atmospheric Diffusion and Air Pollution; (Hydromet. Press), p. 448.

Taylor G I 1959 The present position in the theory of turbulent diffusion; Adv. Geophys. 6 101-111.

Website addresses should be in italics, as below:

[www. Google.com/ mrcp/ machines](http://www.Google.com/mrcp/machines)

References need not be numbered.

- **Acknowledgement** 14 font for side heading 12 for the matter

* Revised dates of National Conference (NCFEM in Shipping Industry) is 16-17 February 2007.

* Last date of submission of full paper is 15th January 2007.
